

English week 1 activity 2 - Creative writing

Choose ONE of these pictures and answer the questions at the top. Use full sentences and spell words phonetically (use the sound mat I've attached on the next page to help). Write as many sentences as you can to describe what you would do, where you would go, what you would tell your toy etc... OR how the pirate got there, which country he came from, which food he brought, what he will do next etc... Make sure you use capital letters in the correct places, finger spaces and full stops. You can also use adjectives to describe and 'because' for a challenge!

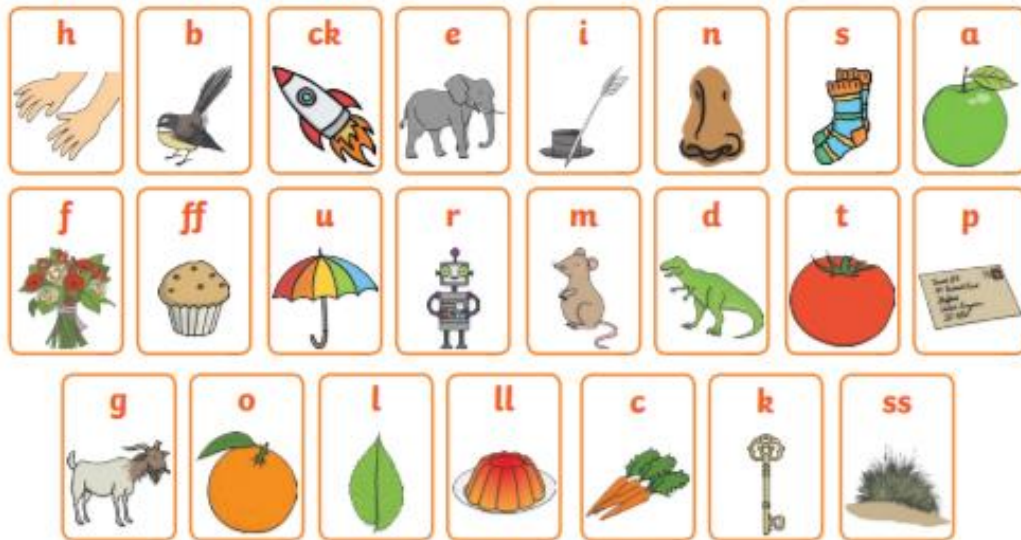

What would you do if your favourite toy came to life?

How did this pirate get stuck on a deserted island?

Phase 2 Sound Mat

Phase 3 Sound Mat

Phase 5 Sound Mat
