

English week 2 activity 3

These are paintings of a very famous woman called Grace Darling. Do not research who she is YET, have a guess. Discuss this with an adult.

Now, I would like you to write some questions that you would like to ask her. These might include; 'What was your job?' "Were you rich or poor?" etc. Be thoughtful and write as many as you can! Do not do any research, you must wait and see to find out who she was!
