

‘Let’s keep busy’ Healthy Mind and Body: physical activity and creative ideas

Whilst we all find ourselves working/schooling from home, it is important to still keep active maintaining our physical and mental health! This document contains details/links to a range of resource ideas to keep us all busy at this challenging time. This will be updated and shared on a weekly basis (Friday). If anyone wishes to share any ideas that others in the network/community please share via nsspea@mail.com

North Somerset SGO Area updates:

This bulletin and other useful resources will be shared and updated on a weekly basis via the North Somerset School Games ‘public’ page:

https://www.yourschoolgames.com/app/sgo_hubs/north-somerset/

Please check this page on a weekly basis to read the most recent ‘Let’s Keep Busy’ bulletin and find links to a range of the most fun and innovative physical activity ideas.

NHS: Physical activity guidelines for children and young people

Why are we recommended that children and young people should be active for sixty minutes? What activities should my children be doing?

<https://www.nhs.uk/live-well/exercise/physical-activity-guidelines-children-and-young-people/>

Sport England: How to Stay Active whilst you're at home

We're all now spending more time at home and that means many of us are thinking about how we can get, or stay, active.

Official advice is to follow the guidance on [social distancing](#) and avoid non-essential travel - including working from home if you can - which means our routines are changing.

But staying active is more important than ever right now, and even if you're mostly in your house at the moment, there are plenty of ways you can still do so.

<https://www.sportengland.org/news/how-stay-active-while-youre-home> the link leads to;

- Getting Outside
- Exercising at Home

- Dance with Kids; <https://www.thisgirlcan.co.uk/activities/disney-workouts/>
- Indoor activities for kids
- Accessible activities

The Daily Mile at Home

We would like to introduce all families across the UK to 'The #DailyMileAtHome'. It's an easy and fun way to keep fit and maintain good health and well being for you and your children.

<https://thedailymile.co.uk/at-home/>

Includes weekly challenges.

Gloucestershire Football Association: 'Home of Football' campaign

The GFA have gone live with their keep active campaign: <http://www.gloucestershirefa.com/players/home-of-football>

#footballsstayinghome **watch play learn**

Finding fun ways to help the physical development of your child (ren) can be a challenge. That's why we've teamed up with Disney to use much loved characters to inspire three engaging games to kick off a healthy, active lifestyle – including some football skills. The games are also designed to build your child (ren)'s confidence, creativity and problem solving skills.

<https://blog.parkrun.com/uk/2020/03/27/the-school-of-parkrun-2/>

Probably more relevant to those who have previously participated in Parkrun or Junior Parkrun and are familiar with the workings of this worldwide movement, but worth taking a look at for some simple cross curricular ideas.

BBC SuperMovers:

Fun dance/movement videos with some of your favourite CBeebies/CBBC and other well known characters

<https://www.bbc.co.uk/teach/supermovers>

<https://www.bbc.co.uk/teach/supermovers/times-table-collection/z4vv6v4>

GoNoodle:

'Getting Kids moving so they can be their best'

<https://www.gonoodle.com/>

England Athletics: resource links

<https://www.englandathletics.org/about-us/athletics-at-home/>

Funetics: 4-11 years

<https://funetics.co.uk/for-parents/funetics-activity-videos/>

England Athletics and funetics have fast forwarded the launch of our new funetics activity videos, originally planned for launch this Autumn as part of our public launch of our new funetics programme. The videos demonstrate parents and children (aged 4-11) taking part in FUN activities based on fundamental core movement skills: running, jumping and throwing.

Funetics is a programme that has been designed to reflect the requirements of the National Curriculum Key Stage 1 and 2. At this time when our children are currently schooling at home, we hope that these video activities will support the need for education to continue at home.

Supporting 11+ year olds to keep active

<https://www.englandathletics.org/about-us/athletics-at-home/supporting-11-year-olds-to-keep-active/>

To support parents and young athletes to keep active in these challenging times, England Athletics are providing two of our Athletics 365 'paid for' resources free of charge for a limited time. We're making our Athletics 365 Athlete Handbooks (1 and 2) available free of charge (normally each handbook costs £9.99). This offer will be available until 30 September 2020.

Wesport's COVID-19 Support Page is a reference point for resources that will continually be updated

<http://www.wesport.org.uk/news-events/covid-19-support/>

Any NGB updated will be shared here, along with any fun, new and innovative ideas.

School Games Active Championships:

<https://www.yourschoolgames.com/coronavirus-support/school-games-active-championships/>

The School Games Active Championships is a national activity campaign to help young people across the UK to #StayInWorkOut using the video-based platform powered by TopYa! New challenges will be available every Monday, Wednesday and Friday to engage with.

Primary and secondary-aged children can join the School Games Active Championships at any time with free active challenges being set via videos within a designated School Games version of the TopYa! Active app. All they need to do is download the app and type in the Invite Code **23880**.

NGB Activities:

<https://www.yourschoolgames.com/coronavirus-support/ngb-activities/>

National Governing Bodies of Sport (NGBs) have worked alongside the School Games to build and develop a series of sport formats for intra and inter-school competition. These formats aim to encourage all young people to participate and are based on supporting young people to build and extend their skills and confidence.

During the period where Covid-19 has resulted in school closures and isolation, the National Governing Bodies have identified a number of activities that you can continue to work on to develop your skills and confidence for when things return to normal.

School Games Challenges: these games/challenges could be adapted for all the family to play and with the equipment you have available

Youth Sport Trust: Free Home Learning Resources

Personal Challenge:

A fun 'compete against yourself' approach to physical activity with a focus on resilience and perseverance and the aim to achieve bronze, silver or gold medal aims. We have a range of activity cards and videos.

<https://www.youthsporttrust.org/60-second-physical-activity-challenges>

- Air Balloon Challenge
- Around the World Challenge
- Bean Bag Throw Challenge
- Climb the Mountain Challenge
- Skipping Challenge
- Speed Bounce Challenge
- Squat Jump Challenge

Active Breaks:

These are general fun physical activities for children to do throughout the day as a way to get active, have fun as a family and break up the day. Examples include hide and seek, den or fort building and 'hot potato' ball games.

<https://www.youthsporttrust.org/active-breaks>

Physical Education Home Learning:

PE activities that can be done individually or in pairs/small groups with a focus on the development of physical competence and actively learning the importance of personal skills to support social, emotional and mental well-being.

<https://www.youthsporttrust.org/pe-home-learning>

Active Learning:

Teaching wider school subjects such as English and Maths in a physical way so as to reduce children sitting for too long and making the learning fun e.g. timetable squats.

<https://www.youthsporttrust.org/active-learning>

Secondary PE at home: #thisISPE secondary:

#ThisISPE secondary is designed to support teachers and parents/carers with secondary aged children in signposting to appropriate physical education content which enables pupils to continue their development within national curriculum PE at home during the school closures.

<https://www.youthsporttrust.org/free-home-learning-resources-secondary>

We have created a powerful bank of free resources for Primary and Secondary schools, so teachers can lead their own cricket sessions with confidence.

<https://www.chancetoshine.org/teaching-resources>

Using a set of resources created by the Lawn Tennis Association you can improve your tennis skills any time, any place, with their Home Activities hub. It's full of activities for the whole family. Even “that” uncle who gets way too competitive. This hub is divided into four areas, all of which are freely accessible

<https://www.lta.org.uk/play-competel/ta-youth/tennis-at-home/>

NHS; Change4Life: childrens activities

Kids need to be active for 60 minutes a day. From our fun 10 Minute Shake Up games to information about active hobbies and sports, here's everything you need to get your family moving.

<https://www.nhs.uk/change4life/activities>

NHS: Active 10

Exercise... made easy

Did you know that walking briskly, even for one minute, counts as exercise?

It's easier than you think to fit into your day with our FREE Active 10 walking tracker app!

<https://www.nhs.uk/oneyou/active10/home>

Pent-Active: 21 day Challenge

The link below will take you to a page promoting the Pent-Active 21 Day Challenge. This offers the chance to practise and develop fundamental skills and raise fitness levels.

<https://www.pentathlonhereford.uk/PentActive>

The next challenge will begin on the 1st April and will be led online by Olympic medalist Samantha Murray, via the Facebook page. There is an opportunity to win resource packs, with a closing date of the 26th March.

Cup Stacking; online challenges and personal best

Improve your movement and hand eye coordination by building structures out of cups as quick as possible. This exercise will offer you both physical and mental benefits as you improve your accuracy and movement.

<https://www.bbc.co.uk/programmes/articles/5K6QMDpwmHqK999DtmvhGgG/the-speed-stacking-challenge-makeyourmove>

Get ready to be amazed!!

BBC SPORT

Match of the Day Podcast: Top Ten Lists

<https://www.bbc.co.uk/sport/football/51871622>

Why not rank your own list of Captains and share/compare with your friends!

Match of the Day Podcast: Top Ten Goalscorers

<https://www.bbc.co.uk/sport/football/52011332>

Each week there will be a new top ten list to consider.

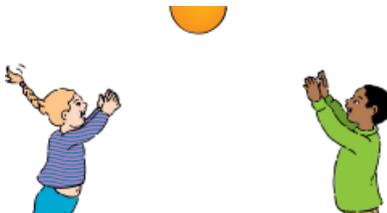

The BBC Sport website has lots of interesting content to read and engage with!

Garden Games

These are just a few suggestions of games that could be played in the garden. You can find lots of catching games and challenges online.

Garden Boule

Catching games

Frisbee catch

Max Whitlock GB Gymnast: #gymnasticswithmax

For those missing their weekly gymnastic sessions....

https://www.youtube.com/watch?v=rSDBj3jjK6s&feature=push-fr&attr_tag=aroWiumRn-2n7JVY%3A6

Try and improve your personal best. Practice a little every day.

Can you keep going for 1, 20, 30 seconds? How many can you do in 10, 30, 60 seconds?

Cosmic Kids Yoga

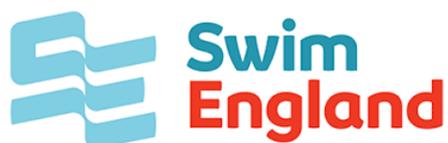

Yoga and Mindfulness adventures for children.

<https://www.youtube.com/user/CosmicKidsYoga>

Access Sport: inclusive activities

Check out Access Sport's Inclusive activities page full of resources to use such as the home activity session plans you can see here. Each week they also share new and inclusive 'live' sessions, online activities and challenges to get involved with.

<https://www.accesssport.org.uk/Pages/Category/inclusive-activities>

Swim England: supporting learning at home

Whether you're schooling in the classroom or at home, you might like to check out these free resources that can be used for fun, literacy and numeracy skills whilst keeping children engaged with swimming.

The activity sheets which also focus on the essential area of water safety will keep children creative by thinking up stories, playing crosswords and giving them things to do in the garden. There are more than 20 sheets that can be completed independently, or supported by an adult or sibling.

<https://www.swimming.org/library/976>

England Netball: fun challenges

Fun challenges set by the Netball Development Officers across the nation for a range of ages and abilities.

<https://www.youtube.com/channel/Uck6rmlmQ4zGmufJjlvwenoA/videos>

TT Kidz: play at home

Table Tennis can be played by anyone and anywhere, even at home on the kitchen table. TT Kidz has launched 9 videos so you can still get involved while at home whether families are looking to make table tennis part of home schooling, or they just fancy a bit of fun!

Get Set Tokyo: 'Travel Tokyo'

The Tokyo 2020 Games may not be happening this year, but you can still get active, stay connected and win prizes with 'Travel to Tokyo'. 'TEAM GB' and 'Paralympics GB' official, free programme for children aged 5-11 and their families.

Schools and Families can easily sign up via: <https://www.getset.co.uk/travel-tokyo>

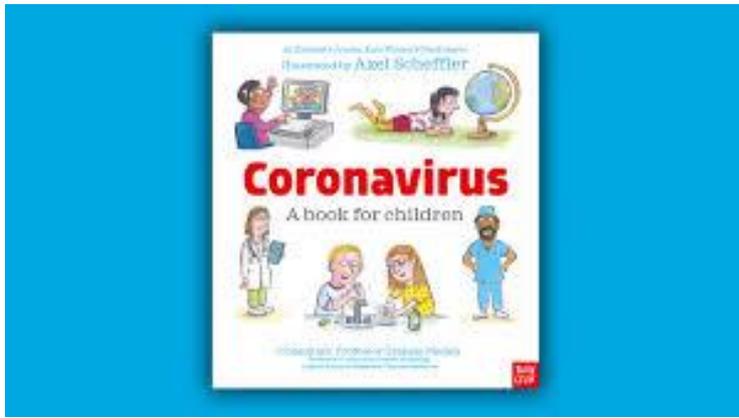

Once a school is registered, all activity submitted by families (from a bank of 10 and 30 activity ideas/games/challenges) is credited against a schools participation, with prizes available <https://www.getset.co.uk/resources/travel-to-tokyo/indoor-activity>

There are also lots of home learning ideas available to support families <https://www.getset.co.uk/resources/home-learning/primaryhomelearning>

#WeAreBristol Kids

We've just launched We Are Bristol Kids, a new online hub for children and parents to learn about our city. We recognise that this is a difficult time for parents and children alike, so we hope this fun content, with competitions and educational activities will help to support families across our communities. You can find the full range of activities and get involved on the We Are Bristol Kids website. <https://www.wearebristol.co.uk/kids/>

A Child Friendly guide to Coronavirus: Axel Scheffler

Axel Scheffler has illustrated a digital book for primary school age children, free for anyone to read on screen or print out, about the coronavirus and the measures taken to control it. Published by Nosy Crow, and written by staff within the company, the book has had expert input: Professor Graham Medley of the London School of Hygiene & Tropical Medicine acted as a consultant, and the company also had advice from two head teachers and a child psychologist.

The book answers key questions in simple language appropriate for 5 to 9 year olds:

- What is the coronavirus?
- How do you catch the coronavirus?
- What happens if you catch the coronavirus?
- Why are people worried about catching the coronavirus?
- Is there a cure for the coronavirus?
- Why are some places we normally go to closed?
- What can I do to help?
- What's going to happen next?

We want to make sure that this book is accessible to every child and family and so the book is offered totally free of charge to anyone who wants to read it. However, we have suggested, at the back of the book, that families might make a donation to help our health service if they find the book useful: <https://www.nhscharitiestogether.co.uk/>.

<https://nosycrow.com/blog/released-today-free-information-book-explaining-coronavirus-children-illustrated-gruffalo-illustrator-axel-scheffler/>

This June, join thousands of people taking part in our annual nature challenge, 30 Days Wild! We want you to do one wild thing a day throughout the whole month: for your health, wellbeing and for the planet. That's 30 simple, fun and exciting Random Acts of Wildness.

You'll get a free, downloadable pack of goodies to help you plan your wild month, plus lots of ideas to inspire you to stay wild all throughout June (and beyond!). For extra 'bonus' items, keep an eye on your emails for additional, fun activities, from instructions for baking hedgehog cupcakes to a beginner's guide to wildlife photography.

To get involved, just tell us who's taking part. If you are a childminder and want to take part with your children - the schools pack will be best suited to you.
