

Maths week 6 activity 3

Remember, to work out a quarter of an amount, share the total between four. Draw four plates/bags to share the 16 into.

Find $\frac{1}{4}$ s

Colour each quarter a different colour. How many colours will you need?

Share 8 apples into $\frac{1}{4}$ s and draw them in the bags below.

Share 16 sweets into $\frac{1}{4}$ s and draw them in the bags below.
