

Monday 18th January 2021

Morning Sapphire, I hope that you've all had a lovely weekend and feel refreshed and ready for a good week of home learning.

Maths: We will be continuing with Divide 2-digits by 1-digit. Watch this video and [Spr4.2.5 - Divide 2-digits by 1-digit \(1\) on Vimeo](#) and have a go at the worksheet. There's also a challenge sheet for those who want it.

English: Reading comprehension - Today you need to read the text about Rivers and answer the questions in full sentences. Remember as always, full sentences, correct spellings and punctuation.

PSHE: Today we're looking at the importance of expressing ourselves and talking about uncomfortable feelings. There's a power point and an activity. The instructions for the activity are on the sheet. You need to create a comic story. This is your opportunity to use speech, thought bubbles and onomatopoeia (can you remember what that is?). Enjoy creating the pictures and use lots of colour, remember that with a comic story, the pictures are a very important part of telling the story and showing characters' personalities and feelings.

PE: Now more than ever it's important to keep active. We've attached a planner where you could record all the healthy activities you do during the week. You can pick things from the Hactive Challenge-a-Day sheet and there are some other suggestions below but you can be as creative as you like.

Go on a welly walk with your family
Go for a run with a member of your family
Play football in the garden
Practise your throwing and catching
Complete a Joe Wicks workout
Yoga moves with Cosmic Kids Yoga online
BBC Super Movers videos

Bad Teacher Joke:

Just for fun...

Each row and column contains all the digits 1 to 4.

4			3
3	1		
2			1
		2	

	1		2
2		1	4
1	4	2	
	2		

4	1	3	
		1	
1			4

2	4	1	3
3	1		4
		4
