

Monday 18th January 2021

Good Morning Diamond Class. I hope you have had a nice weekend.

Now more than ever it is important to keep active. On the website, I have attached a planner where you could record all the healthy activities you do during the week. You can pick things from the Hactive Challenge-a-Day sheet and there are some other suggestions below, but you can be as creative as you like.

- Go on a welly walk with your family
- Go for a run with a member of your family
- Play football in the garden
- Practise your throwing and catching
- Complete a Joe Wicks workout
- Yoga moves with Cosmic Kids Yoga online
- BBC Super Movers videos

We are excited to find out all the fun ways you have been keeping active! You could take pictures and send them in if you like.

Phonics Play is free to use during this lockdown. The children are familiar with the games Buried Treasure, Picnic on Pluto and Dragon Eggs.
