

Tuesday 19th January 2021

Good Morning Diamond Class.

Here is a challenge for you to do today:

See if you can spot a car number plate out of your window. It could be your car or a neighbour. Can you tell a grown-up what numbers you can see? Which is the biggest / smallest number? Maybe you could try adding the numbers together. Can you think of a word that starts with each of the letters you can see?

Miss Pennell 😊

This is the link to Diamond home learning <https://kingshillbwmat.org/diamond-class-2021/>

Please try your best with the home learning today.

Phonics	<p>Practise all sounds (s-ss, j-x) and tricky words. Lesson 37 (part 1) -z https://video.link/w/xB8Hb Lesson 37 (part 2) https://video.link/w/9B8Hb Activities: Phonics activity mat – z Phase 2 I spy and read Play a game on phonics play</p>
Fine Motor	<p>Please choose a challenge from the Fine Motor Challenge cards and complete some hand exercises.</p> <p>Winter Skills Cutting Pack – choose one to complete each day. If you do not want to print draw some shapes and pictures to cut out. Snip cardboard boxes, kitchen roll tubes, cut junk mail and cardboard boxes.</p> <p>Here is another way to invite children to practise cutting</p>  <p>An invitation to practise cutting</p> <p>What you'll need: Some paper A marker/pen Scissors Tape</p> <p>What to do:</p> <ul style="list-style-type: none">*Cut long strips of paper*Draw different lines on them as shown in the picture.*Stick them to the edge of the table*Give your child some scissors and invite them to hold one end of the paper and cut along the lines. <p>Gemma</p>
Maths	<p>Warm up: PowerPoint, how many dots? (different sizes). This is to practise subitising- instantly recognising an amount without counting. Scroll through the pictures and ask your child to say how many? I will also save it as a pdf.</p>

	<p>Combining two groups: https://classroom.thenational.academy/lessons/combining-two-groups-71gkec</p> <p>Resources for the video on the website There is also a 'ways to make 5' sheet. Perhaps you can challenge yourself and choose another number and find as many different ways to make it.</p>
Expressive Arts and Design	<p>Today we are going to explore what happens when you print on different textures and materials. Hopefully, you have saved a few items from recycling. If not have a look now and see what you can find. Have a go at printing on different materials and textures. What happens? How is it different to printing on paper? What do you prefer?</p> <p>If you do not have paint, explore drawing on different materials and textures.</p>
