Good Morning Diamond Class!

We are looking forward to seeing as many of you as possible at our first class Zoom session at 10.30 today.

Our morning challenge is for you to think about if you were an animal, what animal would you be and why? I wonder which animal you will choose to share?

Take care, Miss Pennell 😊

Last week we looked at the story of Nowruz. This week we are going to look at preparing and celebrating.

Click on the link to Cbeebies and watch the first two videos.

Let's think: What has been your favourite part of Nowruz? Why? Are there things that you do with your family that you think others would enjoy too?

You could draw your favourite part of Nowruz.
