

Thursday 7th January

Good morning everyone. Well done for all your hard work so far and thank you for your patience if you were on TEAMS and the technology was running slowly.

Today you will have 3 pieces of work to complete: maths, English and History

Maths

Arithmetic – copy and write the answers like we do in class. You can use a calculator to mark your work.

Main maths - you will be looking at translations. Use the video on this page to help you:

<https://whiterosemaths.com/homelearning/year-6/week-13-geometry-position-direction/>

Support maths – you will be learning about moving on a grid. Unfortunately, there is no video relating directly to the worksheet you have been set, but this link should help you:

<https://www.bbc.co.uk/bitesize/articles/zj88r2p>

The answers are available, so please mark your work before submitting it.

English

Following on from yesterday's work on the book 'Letters from the Lighthouse', today we have uploaded the first part of Chapter 1 and you have some comprehension questions to answer on this. You can type your answers directly on to the answer sheet or hand write if you prefer. Remember to write in full sentences and check your spelling and punctuation before you submit your work.

History

Our topic for the Spring Term is WW2 and, as we do with all new topics, we will begin by completing the first 2 sections of a Know, Wonder, Learned grid. Today you need to fill in the sections on what you already know about WW2 and what questions you wonder about it. If you save or keep hold of this piece of work we can then fill in the last section at the end of the unit.

Have a great day and remember to make time for some exercise and fresh air.

Mrs Evans and Mrs Bennett
