

Tuesday 5th January 2021

Morning Message

Good morning Amber class and a Happy New Year to you all!

Miss Fudge here (it is Tuesday after all!) and I'm so sad that we can't come to school and work together, but we need to stay at home for a little bit longer to make sure everyone is safe.

I hope you all had a good Christmas, however you celebrated it! Do drop me a message if you would like to tell me what you got up to in the holidays and what presents Father Christmas delivered.

Make sure that you spend some time outdoors during the day- a little fresh air and exercise is vital for keeping you calm and healthy. A brain break around lunchtime will help to recharge your brain for the afternoon.

I have some work for you to do, either by going on to the school website or on Microsoft Teams. If you have any troubles with Teams, the school office is open and can help you with any queries. You can also email home.learning@kcs.bwmat.org (Parents- in your email, please include your child's name and class and/or FAO Miss Fudge/Mrs Smith so that we can clearly see who the intended recipient of your email is). Messages can also be sent in the chat on Teams.

For today, I have 3 pieces of work for you:

Reading- I have a book called 'Same, Same but Different' for you to read. I have also included a link to a YouTube video of a lady reading the book aloud. Read or listen to the story then just like when we are in class you will have some questions to answer. There are 3 challenges for the questions- choose the best one for you but do push yourselves!

Maths- today's lesson is a revision session on dividing by 5. Watch the video first (I have included a link) for the teaching part of the lesson. Then choose a challenge for your work. Again there are 3 to choose from. Try to push yourselves.

New Year's resolutions- for your afternoon work, think about what you would like to achieve during 2021. I have provided some instructions.

I hope you all have a good day. I will be on Teams during the school day and monitoring any emails sent to the home.learning address. Stay safe and I will see you as soon as we can.

Miss Fudge 😊
