Dear Parents/Carers

It was lovely to see so many of you on Zoom this week. Thank you for all your help with muting and unmuting and contributing to the chat by letting me know some of the things they have been doing. It is new so I appreciate that they might be a little shy or do not want to say anything. It is just nice to see them.

Please can you change the log in name to the name of your child.

3. Enter the [meeting ID](#) number and your display name.

- If you're signed in, change your name if you don't want your [default name](#) to appear.
- If you're not signed in, enter a display name.

Or go to settings, your name, display name and type in your child's name.

If you are still unsure of how to do this can you let me know by email, what your default name is. For example, briansipad or Joe Bloggs.

Next week, children can show me a toy, picture they have drawn or one of the activities that I have set during the week.

I look forward to seeing you next Thursday at 10 30 am.

Kind regards
