

Exclusions Policy

The Suspension or Permanent Exclusion of a Pupil from a Trust School

Document Owner:	School Improvement
Version:	2
Date Approved by Trust Board:	September 2022
Category:	Trust Policy

1. Introduction

This policy covers the management and administration of exclusions across schools in the Bath and Wells Multi Academy Trust (The Trust). It is strongly recommended that this policy is read in conjunction with the School Behaviour Policy, Alternative Provision Procedure, the Trust's Equalities Policy and Equality Objective Plan and the guidance set out in the Department for Education document entitled 'Suspension and Permanent Exclusion from maintained schools, academies and pupil referral units in England, including pupil movement (September 2022)' which can be downloaded at <https://www.gov.uk/government/publications/school-exclusion> along with its companion document "Behaviour in Schools (September 2022)". Paper copies may be requested from the School Office.

The Trust strives to ensure that each of its schools present a safe and enjoyable place in which to learn, encompassing equality and diversity throughout the school community. It is expected that teachers, young people, children and parents/carers will work together with integrity, respect and in harmony in order to grow and maintain this culture.

Behaviour which breaches the requirements of the School Behaviour Policy will not be accepted and consequently there may, regretfully, be occasions when a pupil(s) must be excluded from their school. A pupil's behaviour outside of school can also be considered grounds for suspension or permanent exclusion.

The decision to suspend a pupil for a fixed period of time or to permanently exclude a pupil, will only be taken as a last resort and:

- In response to serious or persistent breaches of the school's Behaviour Policy
- If allowing the pupil to remain in the school would seriously harm the education or welfare of another pupil or pupils in the school.

The Headteacher is the only member of staff in a school who can decide to suspend or permanently exclude a pupil from the premises.

This policy has been written following the 2022 guidelines outlined in the Department for Education and relates to the following legislation:

- The Education Act 2002, as amended by the Education Act 2011;
- The School Discipline (Pupil Exclusion and Reviews) (England) Regulations 2012;
- The Education and Inspections Act 2006;
- The Education Act 1996; and

- The Education (Provision of Full Time Education for Excluded Pupils) (England) Regulations 2007, as amended by the Education (Provision of Full-Time Education for Excluded Pupils) (England) (Amendment) Regulations 2014

Please note: specific guidance for Head Teachers at the back of this document (Annex B).

2. Decision Making:

Before reaching a decision to suspend or permanently exclude, the Headteacher will:

- consider all relevant facts and such evidence as may be available to support the allegations made, taking into account the School's Behaviour Policy and the Trust's Equality Policy;
- allow the pupil to give their version of events;
- check whether the incident may have been provoked for example, by bullying or other harassment in relation to a Protected Characteristic (as set out in the Equality Policy);
- take account of any contributing factors that are identified after an incident for example, if a pupil has been subject to bullying (even if not immediately prior to the incident), suffered a bereavement or has mental health issues;
- consider the impact of exclusion on certain vulnerable groups, including pupils with additional learning needs, 'Children in Care' and previously Looked After Children;
- consider whether exclusion would be consistent with other decisions made in response to similar breaches of the behaviour policy, and if not, be clear about the mitigating circumstances which justify the different decision.
- consult others where appropriate (**whilst not using the pupil's name**), including the ADE, being careful not to involve anyone who may have a role in any statutory review of his or her decision, for example, members of the Local Governing Committee's Discipline Committee;
- keep a written record of the actions taken, including any interview with the pupil, discussion with parents/carers, and record on CPOMs. Witness statements must be dated and should be signed, wherever possible;
- establish the facts in relation to the suspension or exclusion, applying the civil standard of proof i.e. 'on the balance of probabilities' it is more likely than not that a fact is true, rather than the criminal standard of 'beyond reasonable doubt'
- ensure that the decision to exclude is made in line with the administrative law i.e. that it is:
Lawful (with respect to the legislation relating directly to exclusions and the School's wider legal duties, including the European Convention of Human Rights);
Rational;
Reasonable;
Fair; and
Proportionate

No Trust school may use 'informal' or 'unofficial' suspensions where pupils are sent home, even with the agreement of their parents/carers, for a 'cooling off' period. Any suspension of a pupil must follow the formal process in order to be lawful.

The Headteacher is responsible for the safeguarding of all pupils on roll during the school day. The only times they are not responsible are:

During authorised absences, e.g. if the child is ill and has been kept at home or is attending a medical appointment; or

During a formal exclusion when the responsibility goes to the parents/carers. Elective Home Education (EHE) should never be referred to or encouraged by the Headteacher or member of staff at the school as an alternative to exclusion.

3. Alternatives to Exclusion

Our schools are committed to using exclusion only as a last resort. Alternatives will always be considered and may include:

- the use of the Early Help process (Local Authority Front Door to services), working with external agencies and parents/carers to provide support through a Single Assessment for Early Help (SAFeH) and person centred planning approach;
- restorative justice processes;
- the use of the 'alternatives to suspension and exclusion checklist' and support from the Local Authority Pupil Referral Unit outreach where appropriate;
- Regulation and reflection space (where appropriate, in line with school's Behaviour Policy);
- Another sanction in school, in line with school behaviour policy – (this could include an internal isolation if part of your behaviour policy)
- Access to the Local Authority Behaviour panel (or similar), external agencies such as an Educational Psychologist and statutory SEND services (Please see SEND Key Contacts posters).
- A managed move (only where a pupil is at risk of permanent exclusion), in line with the locally-agreed protocol (contact Local Authority for their locally -agreed protocols);

4. Suspension (Fixed Term Exclusion)

In this section “a Term” means a full term, ie Autumn, Spring or Summer.

Suspension may be used to provide a clear signal of what is unacceptable behaviour as part of a school's behaviour policy. The Headteacher may exclude a pupil for up to a maximum of 45 days in any one academic year. No suspension may be given for an unspecified period of time.

A suspension does not have to be for a continuous period and can be for parts of the school day.

The law does not allow for extending a Suspension or 'converting' a Suspension to a Permanent Exclusion. In exceptional cases, usually where more evidence has come to light indicating more serious breach of the Behaviour Policy, or indicating further breaches, a further Suspension or a Permanent Exclusion may be issued relating to the same incident. Before issuing a further Suspension or Permanent Exclusion the Headteacher should follow the same process set out above, ensuring that the Pupil and their Parents / Carers are given the opportunity to respond to the new evidence and taking into account the same questions and considerations.

It is important that during a Suspension pupils still receive their education. Headteachers should take steps to ensure that work is set and marked for pupils during the first five school days of a Suspension. The school's legal duties to pupils with disabilities or special educational needs remain in force, for example, to make reasonable adjustments in how they support a pupil with a disability or SEN during this period.

Procedures for review and appeal of suspensions

Suspensions of up to 5 days in a Term.

In this Section, a “Term” means a full term, ie Autumn Term, Spring Term or Summer Term.

A Suspension which does not bring the pupil's total number of days of suspension to more than five in a term will not usually be reviewed by the Local Governing Committee Disciplinary Committee unless a written request is submitted by a parent/carers within 50 school days of receiving the notice of the Suspension. If such a request is received, the Disciplinary Committee will review the Suspension but cannot direct reinstatement.

Suspensions of more than 5 days but not more than 15 days in a Term.

If a pupil is excluded for more than five days (but not more than 15) in a single Term, the Local Governing Committee Disciplinary Committee will review the suspension if requested to do so by the parent/carers in writing, within 50 school days of receiving the notice of the Suspension. In such cases the Committee may direct the reinstatement of the pupil.

Suspensions of more than 15 days in a Term.

If a pupil is excluded for 15 days or more in one Term, the school's Disciplinary Committee will meet to consider the reinstatement of a pupil as soon as reasonably practical and in any event within 15 school days of the suspension.

Suspensions during Public Exams.

If, as a result of a suspension, the pupil will miss a public examination or National Curriculum test, the Disciplinary Committee will meet to consider the suspension before the date of the examination or test. If it is not possible for the Disciplinary Committee to meet, the Chair of the Local Governing Committee may consider the exclusion independently and decide whether or not to reinstate the pupil.

Cancellation of Suspension by Headteacher

A Headteacher may cancel an exclusion that has not been reviewed by the Disciplinary (or Chair of the Local Governing Committee in the case of a public examination). If this occurs, parents, the Local Governing Committee and the local authority should be notified immediately by the Headteacher, and if relevant, the social worker and VSH (see paragraph 13 of DfE statutory guidance about the actions that should take place after an exclusion has been cancelled).

Review Flowchart

A summary of the suspension and exclusion process and the Local Governing Committee's duties to review exclusion decisions is shown in the flowchart, Appendix A.

Pupils approaching 45 day limit

Where a pupil has received multiple suspensions or is approaching the legal limit of 45 days the Headteacher will consider whether suspension is providing an effective sanction.

Suspension of a Child in Care

When excluding a pupil who is, or was previously, looked after by Local Authority ("a Child in Care"), the Headteacher will ensure that the appropriate 'home' Local Authority Officer is informed immediately, contacting the pupil's social worker and Virtual School Headteacher (VSH).

5. Permanent exclusions

Permanent exclusions will normally be used only as a last resort when a range of other strategies have been exhausted.

In exceptional circumstances, where a serious breach of the School's Behaviour Policy has occurred, the Headteacher might consider it appropriate, having consulted with the CEO/Director of Education and Local Authority statutory services, to permanently exclude a pupil for a first or one-off incident. Such circumstances might include peer on peer abuse so serious that it amounts to criminal behaviour (or would do were the child old enough to have criminal responsibility) and were the child to return to school the other child or children involved could not reasonably be expected to feel safe.

A Headteacher should, as far as possible, avoid excluding permanently any pupil with an Education and Health Care Plan ("EHCP") or a 'Looked After Pupil'. Before making the decision to permanently exclude a pupil who is a 'Looked After Pupil', the Headteacher must discuss with the appropriate 'home' Local Authority Officer the availability of a suitable, alternative appropriate school or provision elsewhere.

If the Headteacher decides to exclude a pupil permanently they will inform the Local Authority immediately. If the pupil lives outside the Local Authority area in which the school is located the Headteacher will also advise the pupil's 'home authority' of the exclusion without delay.

Review of Permanent Exclusion

Following permanent exclusion, the Disciplinary Committee is required to review the Headteacher's decision. This review is to be carried out within 15 school days of the exclusion.

The school must provide the Disciplinary Panel (a panel of a minimum of three governors is required for this) with a full account of the reason(s) leading up to the permanent exclusion. The parent/carer, Director of Education and an invited Local Authority representative should also receive all this information. The governor review meeting is a formal meeting and must be taken seriously. This meeting will be Chaired by one of the panel of three governors.

From day six of a permanent exclusion the Local Authority becomes responsible for the pupil's education. This will be organised through a Pupil Referral Unit (PRU). A placement in a Pupil Referral Unit is not supposed to be long term. An assessment will be carried out and the Local Authority will support the pupil to address the issues which lead to the permanent exclusion.

Following any permanent exclusion, headteachers should take reasonable steps to ensure that work is set and marked for pupils during the first five school days where the pupil will not be attending alternative provision. (Paragraph 8 of DfE guidance provides further guidance on utilising online pathways and the potential significance of SEND law)

6. Process for notification of a suspension of more than five consecutive days

A Headteacher must, without delay, notify the Local Governing Committee and the Local Authority of:

- a permanent exclusion (including where a suspension is made permanent)
- suspensions which would result in the pupil being suspended for more than five school days (or more than ten lunchtimes) in a term
- suspensions which would result in the pupil missing a public examination or national curriculum test

7. Procedures for review and appeal of permanent exclusions

The Local Governing Committee Discipline Committee will consider the reinstatement of an excluded pupil within 15 school days of receiving the notice of the exclusion, invite the following

parties to attend and circulate to them any written evidence and information received, within five school days in advance of the meeting:

- Parents/Carers;
- the Headteacher;
- CEO/Director of Education; and
- An invited representative of the Local Authority

During the meeting, the Disciplinary Committee will consider the interests and circumstances of the excluded pupil, including the circumstances in which the pupil was excluded, and have regard to the interests of other pupils and people working at the school.

The Disciplinary Committee, when establishing the facts in relation to the exclusion, must apply the civil standard of proof i.e. 'on the balance of probabilities' it is more likely than not that a fact is true, rather than the criminal standard of 'beyond reasonable doubt'. In light of their consideration, the Disciplinary Committee can either:

- uphold the exclusion; or
- direct reinstatement of the pupil immediately or on a particular date.

The Disciplinary Committee are legally required to notify the parents/carers, the Headteacher and the Local Authority of their decision, and the reasons for their decision, in writing and without delay.

The Disciplinary Committee will notify the parents/carers of the date by which an application for an Independent Review Panel must be made, which is 15 days from the date of the notice in writing.

If parents/carers apply for an Independent Review Panel within the legal time frame, the Local Governing Committee/Academy Trust will arrange for a hearing to take place, within 15 days of the parental notification, to review the decision of the Disciplinary Committee not to reinstate a permanently excluded pupil.

9. "Managed Move"

A managed move may be arranged where a pupil is at risk of permanent exclusion and should be considered as an alternative to a permanent exclusion. Under the Fair Access Protocol, the Local Authority will identify another school able to accept the Pupil who will then attend that school for an agreed period of time.

10. "Off Rolling"

Off-rolling is the practice of removing a pupil from the school roll without a formal, permanent exclusion or managed move. Off-rolling includes encouraging a parent/carer to remove their child from the school roll, when the removal is primarily in the interests of the school but may not be in the best interests of the pupil. All Headteachers and governors and governors must follow policy robustly, with the best interests of the child at the heart of all we do. We do not tolerate "off rolling", which is unlawful. The threat of exclusion must never be used to influence parents/carers to remove their child from the school.

A "managed move", strictly in accordance with the Local Authority's policy and procedure, is the only acceptable alternative to permanent exclusion which may be encouraged by the school.

11. Equality and Exclusions

The Trust and all of our schools has a duty to monitor the impact of our policies and procedures on those with Protected Characteristics listed in the Equalities Act. All schools within the Trust

should review, at least annually, whether any group with a Protected Characteristic is disproportionately affected by exclusion (suspension or permanent), including “managed moves”, and consider what positive action might be taken to address that imbalance.

LA contacts for suspensions and exclusion notification

Pupils with an Education, Health and Care Plan (EHCP) should not be permanently excluded. If a pupil has an EHCP, before any decision to exclude is taken, the Headteacher should contact the Local Authority SEND team to discuss and call a Team Around the Child meeting.

Model letter 1 – Suspension (up to 5 days/lunchtime exclusion)

From the headteacher of a school notifying a parent of:

- a single fixed period suspension of 5 school days or fewer and where a public examination is not missed
- a fixed period suspension which does not take the total of fixed period suspension to more than 5 in one term;
- a lunchtime suspension

(Where a school's academic year consists of more than 3 terms, then a reference to 'term' means the period falling between: 31 December to Easter Monday; Easter Monday to 31 July; or 31 July to 31 December.)

Dear **[Parent/Carer's Name]**

I am writing to inform you of my decision to suspend **[Child's Name]** for a fixed period of **[specify period]**. This means that he/she will not be allowed in school for this period. The suspension begins/began on **[date]** and ends on **[date]**.

I realise that this suspension may well be upsetting for you and your family, but the decision to suspend **[Child's Name]** has not been taken lightly. **[Child's Name]** has been suspended for this fixed period because **[reason for suspension]**.

You have the right to make representations about this decision to the Local Governing Committee. **[Child's Name]** may also be involved in making representations **[Explain how this may happen]**. If you wish to make representations please contact **[Detail how parent needs to make representations – where and to whom e.g. letter, email or telephone contact to governors/clerk, giving number, email or postal address?]**. Whilst the Local Governing Committee has no power to direct reinstatement and is not required to arrange a meeting with you, they must consider any representations you make and may place a note of their findings on your child's educational record.

[For pupils of compulsory school age only]

You are legally required to ensure that your child is not present in a public place in school hours during this suspension on **[specify dates]** unless there is reasonable justification for this. I must advise you that you may be given a penalty notice or prosecuted if your child is present in a public place during school hours on the specified dates and you fail to provide reasonable justification for this.

[For pupils of compulsory school age only]

We will set work for **[Child's Name]** to be completed during the period of his/her suspension. **[Detail the arrangements for this]**. Please ensure that work set by the school is completed and returned to us promptly for marking. **[If alternative provision is being arranged during an exclusion of 5 days or less the letter should provide details – when/where it will take place and who to report to on the first day.]**

You should also be aware that if you think the suspension relates to discrimination you can make a claim, to the First Tier Tribunal for disability discrimination (<http://www.justice.gov.uk/tribunals/send/appeals>) or to a County Court for other forms of discrimination.

Model Letter 2 – Fixed term Suspension (6-15 days in one term)

From Headteacher notifying parent of a single fixed period suspension of between 6 and 15 days in length or one which would take the total of suspensions in one term to more than 5 and up to and including 15 school days

(Where a school's academic year consists of more than 3 terms, then a reference to 'term' means the period falling between: 31 December to Easter Monday; Easter Monday to 31 July; or 31 July to 31 December.)

Dear **[Parent/Carer's Name]**

I am writing to inform you of my decision to suspend **[Child's Name]** for a fixed period of **[specify period/number of days]**. This means that **[Child's Name]** will not be allowed in school for this period. The suspension start date is **[date]** and the end date is **[date]**. Your child should return to school on **[date]**.

I realise that this suspension may well be upsetting for you and your family, but the decision to suspend **[Child's Name]** has not been taken lightly. **[Child's Name]** has been suspended for this fixed period because **[specify reasons for suspension]**.

If requested to do so by parents, the Local Governing Committee must consider the reinstatement of a suspended pupil within 50 school days of receiving notice of the suspension if a pupil would be suspended from school for more than five school days, but not more than 15, in a single term.

[insert date here — no later than 15 school days from the date the Local Governing Committee is notified].

You have the right to attend the meeting, be represented (at your own expense) and also to bring a friend. The head teacher will also be invited to attend and to make representations. **[Child's Name]** may also be involved in making representations. **[Explain how this may happen]** You may invite a representative of the local authority to attend a meeting of an Academy's Local Governing Committee as an observer; that representative may only make representations with the Local Governing Committee's consent.

If you wish to request the Local Governing Committee meet to consider this suspension please contact **[Detail how parent needs to make representations – where and to whom e.g. letter, email or telephone contact to governors/clerk, giving number, email or postal address?]**.

The Local Governing Committee will make reasonable endeavours to arrange the meeting for a date and time that is convenient to all parties, but in compliance with the relevant statutory time limit of 50 school days from receiving notice of the suspension. The Local Governing Committee will circulate any written evidence and information, including a list of those who will be present, to all parties at least five school days in advance of the meeting. You will, whether you choose to make representations or not, be notified by the Clerk to the Local Governing Committee of the time, date and location of the meeting. Please let us know if you have a disability or special needs which would affect your ability to attend the meeting or to make representations. Also, please inform **[Clerk]** if it would be helpful for you to have an interpreter present at the meeting.

[For pupils of compulsory school age only]

You are legally required to ensure that your child is not present in a public place in school hours during this suspension on **[specify dates]** unless there is reasonable justification for this. I must advise you that you may be given a penalty notice or prosecuted if your child is present in a

public place during school hours on the specified dates and you fail to provide reasonable justification for this.

[For pupils of compulsory school age only]

We will set work for **[Child's Name]** during the **[first 5 or specify other number as appropriate]** school days of his/her suspension **[Detail the arrangements for this]**. Please ensure that work set by the school is completed and returned to us promptly for marking. *[If alternative provision is being arranged before day six the letter should provide details of this including when/where it will take place and who to report to on the first day.]*

If alternative provision is being arranged then the following information must be included with this notice where it can reasonably be found out within the timescale; if this information on alternative provision is not reasonably ascertainable by the end of the afternoon session it may be provided in a subsequent notice, but it must be provided without delay and no later than 48 hours before the provision is due to start.

For a fixed period suspension of more than five school days, the Local Governing Committee must arrange suitable full-time education for any pupil of compulsory school age. From the sixth school day of the suspension onwards — i.e. from **[specify the date]** until the expiry of the suspension **[INSERT NAME OF ALTERNATIVE PROVISION]** *(School must arrange this and meet costs)* will provide suitable full-time education. **[Detail the arrangements for this if known at the time of writing; if not known say that the arrangements will be notified shortly by a further letter (without delay and no later than 48 hours before the provision is due to start) - e.g. including the start date for any provision of full-time education that has been arranged for the pupil during the suspension; the start and finish times of any such provision, including the times for morning and afternoon sessions where relevant; the address at which the provision will take place; and any information required by the pupil to identify the person he / she should report to on the first day.**

You should also be aware that if you think the suspension relates to discrimination you can make a claim, to the First Tier Tribunal for disability discrimination (<http://www.justice.gov.uk/tribunals/send/appeals>) or to a County Court for other forms of discrimination.

Model Letter 5 - From the Local Governing Committee of a school notifying a parent of its decision not to reinstate a pupil

From the Local Governing Committee of a school notifying a parent of its decision not to reinstate a pupil (i.e. to uphold the head's decision to permanently exclude the pupil). (Part 6 DfE guidance 2017)

(Please forward a copy of this letter to the LA)

Dear **[Parent/Carer's Name]**

The meeting of the Local Governing Committee at **[Name of school]** on **[date]** considered the decision by **[Head's Name]** to permanently exclude your **[son/daughter Name]**. The Local Governing Committee, after carefully considering the representations made and all the available evidence, has decided to uphold the permanent exclusion of **[Name of Pupil]**.

The reasons for the Local Governing Committee's decision are **[Insert reasons in sufficient detail to enable all parties to understand why the decision was made]**.

.....

You have the right to ask for this decision to be reviewed by an independent review panel. If you wish to make an application for a review of the Local Governing Committee's decision you will need to do so no later than **[day and date – i.e. 15 school days plus 2 school days from the date of the letter when posted by 1st class post; 'Notice is deemed to have been given on the same day if it is delivered directly, or on the second working day after posting if it is sent by first class mail'.]** If you make an application for a review after this date it will be rejected by the local authority.

The application should be made to: enquiries@bwmat.org

Please inform us if you have a disability or special needs which would affect your ability to attend the hearing or if it would be helpful for you to have an interpreter present at the hearing.

The role of the independent review panel is to review the Local Governing Committee's decision not to reinstate a permanently excluded pupil. The panel can decide to:

- Uphold the exclusion decision
- Recommend that the Local Governing Committee reconsiders their decision; or
- Quash the decision and direct that the Local Governing Committee considers the exclusion again

Any application should set out the grounds on which it is being made and that, where appropriate, this should include a reference to how the pupil's special educational needs are considered to be relevant to the exclusion. You have the right to require the Local Authority to appoint a SEN expert to attend the review regardless of whether your child has recognised special education needs; there would be no cost to you for this. The role of the SEN expert is to provide impartial advice to the independent review panel on how special educational needs might be relevant to the exclusion. You must make it clear in your application for a review whether you wish for a SEN expert to be appointed.

You may, at your own expense, appoint someone to make written and/or oral representations to the independent review panel. You may also bring a friend to the review.

In addition to your right to apply for an independent review panel, if you believe that the exclusion has occurred as result of discrimination then you may make a claim under the Equality Act 2010 to the First-tier Tribunal (Special Educational Needs and Disability) in the case of disability discrimination, or the County Court in the case of other forms of discrimination. A claim of discrimination should be lodged within six months of the date on which the alleged discrimination took place e.g. the day on which **[Name of Pupil]** was excluded.

The following sources of free and impartial information will allow you to make an informed decision on whether and how to seek a review of the Local Governing Committee's decision:

- Department for Education guidance - Exclusion from maintained schools, academies and pupil referral units in England

- [Also include where considered relevant by Local Governing Committee – contact details for Traveller Education Services (EMTAS) or Supportive Parents for SEN pupils]

If you do not intend to make an application for a review of this decision you may confirm this in writing to me, but please note, once the Local Governing Committee has received your decision **not** to apply for a review the head teacher will remove your child's name from the school register.

Yours sincerely
